VOLUNTEERS.

Due Oct 29. 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for both pay, &c., are sent by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwren must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

VOLUNTEERS

NOTE L.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the other one or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 2.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these documents, and ordered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, as an incomplete or incomplete exhibit of his account. It will then be transmitted to the commanding officer of the Soldier, who will order all the data necessary to a full understanding of the Soldier's account on the matter roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is to protect the receiving portion of the Soldier's account may be settled upon the receipt of these matter rolls, and the Soldier receipt may pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are sent by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Storage."

NOTE A.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 2.—Amounts due the Doctor and Landowners must be entered on the master roll on which the District, State, American, &c., is reported, as well as on the local statements, otherwise the amount cannot be collected from the United States.

NOTE 1.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 2.—Where a Soldier dies in Hospital or on detached service, his Certificate has, if he has one, should be sent, with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

NOTES.

1. The amount of any cash pay for which the soldier may be entitled, or for an *Arrears Hospital Award*, to Soldier, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount *bonuses* paid him; in that of "BOUNTY DUE," the whole amount of due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Expenses for loss or damage done to arms, or other public property, must be noted, and the articles, and particular circumstances, to each specified. When expenses are the sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon. A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
5. Should the man have been engaged in any action, or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
6. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
7. When a soldier is furnished with *final statements*, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the master roll, and which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these master rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Ad Auditor of the Treasury Department.
8. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Grand Auditor, Washington, D. C.
9. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled—Commencement of First Payment by Time," will be written the word drafted; and under the heading "When Mustered in" will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under the heading "By Whom Mustered in," will be given the No. of the Recruitment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Recruitment District, State of Massachusetts.)
10. A separate descriptive list should, as a general rule, be given for each man.
11. Descriptive lists must, in all cases, be signed by commanding officers; not by enlisted men acting as such.

Form 1.—This blank will be used for both enlistments and re-enlistments. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Form 2.—An enlistment book to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. The recruiting officer, commissary, or enlistment commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the enlisting officer.

To the commanding officer Sir I have the pleasure
of reporting to you Master Dennis a Corporal
of Co. F. 20th Ky Regt. who deserted
in June 1862. I went to his home in
Harrison county Ky & did remain there until
about the first of March 1863 when
he ran off & went to Indiana and
is now in Jennings County North Vernon
Post-office I think the former place is
a small town on the Rail Road. He has
a well living in that neighbor hood
by the name of Jonathan Darrow
I desire that this man be arrested if
possible it will be a great satisfaction
to his Capt. & the commanding officers of the
Regt. to have him arrested I will give
five dollars out of my own pocket to
have him arrested & send to his Regt
besides what the law allows.
I also have one man by the name of
Clark P. Goddard that is at or near State
line city Ind who deserted from this Regt
in last Oct & went home to Harrison Co

& did remain there on the boat
the first of March when he ran
off & went to land & is at the place a
few names. you will please attend to
this as soon as possible, especially
Newton Dunn the way I found out
when he was one of my Sgt. was
at home & found out that he had
mailed a letter to him & he went to the
post office & confiscated it & has had
his father arrested & for fear that they
might do Newton & take him to leave
that place & I received their arrest
in fear he finds out what is going
on at home.

Head-Quarters Military Commander, Louisville.

Capt. Frank E. Haleath
Judge Advocate G. C. M.

Captain

Capt. Sum

is borne upon the rolls of his Company
as having enlisted Oct. 9th 1861. He was
paid one month's pay by Capt. Sayce
This was advanced by the State of Ky
and amounted to \$120⁰⁰

There were no rolls made out
for Nov. & Dec 1861 but upon the rolls
for Jan & Dec 1862 Capt. Sum was
borne as having been paid to Nov.
9th 1861. When Major Forte paid the Regt
he paid Capt. Sum as Capt. from Nov.
9th 1861 to Feb 28th 1862 inclusive \$482.83—
Add this to the amt paid by Sayce and
it makes \$603⁰⁰—the amt afterwards
marked as stoppages against Capt. Sum
When Major Forte paid the Regt the
second time, he refused to pay the

officers on the ground, I believe. That the rolls as regarded them were in correct -

The third time he paid the Regt - was at Louisville on or about the 24th of Sept. 1862. The Major then said he was ordered to pay out from date of Officers Commisions - Capt. Sumner's commission dated Nov. 15th 1861 -

From Genl Andrews' endorsement it seems he computes his pay from that time to Aug. 31st 1862 (\$1222.75) and marks the amount previously paid him (\$609.35) as stoppages.

The first payment made by Major Fouts was for 3 1/2 months & six days - or 3 1/10 months which at \$130.50 per month would make \$482.85. From Nov. 9th to Aug. 31st 1862 is 9 1/2 months - which at the same rate would make \$1289.75 -

The tax coming into operation about that time probably reduced it to \$1222.75 -

You had better send for one of the Company Rolls to verify the above statement. The old officers of the Regt - can all testify

that a similar course was adopted
in regard to their pay—

I enclose a copy of General Orders No. 21 from Hd. Qrs. Army of the Ohio dated June 3rd 1862 also a copy of Capt. Sumner's resignation. I applied to Major Allen about two weeks ago for an official statement of the payments made the Capt. while he was in the Dept. of Gen. Buell and Rosecrans and have just learned that he cannot furnish it from his office but that he forwarded my application to the Paymaster General. If possible I respectfully request that Capt. Sumner's trial be postponed until the statement referred to is obtained. I think I can prove the charges but a statement from the Pay Dept. would be more positive. I am, Sir, very respectfully,

To May Brannen

The Deposition of Major John Brennan
3^d Regiment Kentucky Volunteer Infantry
taken to be read as evidence before a
General Court Martial, on the trial of
Capt W. B. Dunn, 20th Kentucky Volunteers.
The accused & his counsel being present.

The witness being duly sworn testified
as follows -

I was first Lieutenant and Adjutant
of the 20th Kentucky Volunteer Infantry
from the 18th December 1861 to the 29th
September 1862. Captain W. B. Dunn
was tried before a General Court Martial
which convened at Gen Nelson's Head Quarters
near Corinth Mississippi, about the 25th
of May 1862. Lieut Col Anderson was
President of the Court. The Court was
convened by either Gen Nelson or Gen Buell.
Capt Dunn was sentenced to be suspended
from rank and pay proper for sixty days
to the best of my recollection - The sentence
was approved by Gen Buell a short time
after the Court was convened. Capt Dunn
was officially notified of the sentence by
myself, as Adjutant of the 20th Kentucky
Volunteers. I cannot state the place where I
notified him, but it occurred before the 20th
of June, either at Iuka or on the march

from Corinth to Iuka. Capt Dunn was
 at that time Captain of Company F
 20th Regiment Ky Volunteers. The Company
 was mustered on the 31st June 1862 on
 the march from Iuka to Athens, Alabama.
 I cannot state whether was any stoppages
 against any officers of the Company or not.
 nor whether there was any stoppages against
 any of the officers for subsequent pay -
 I left the Regiment on the 15th Sept 1862 -
 Capt Dunn was present at the muster on
 duty with the regiment at the time of the
 August muster. He was not present with
 the regiment on the 31st June - John B. ...

The Court was then in the presence of the accused duly sworn by the Judge Advocate and the Judge Advocate duly sworn by the President of the Court, also in the presence of the accused. The Reporter J. H. Langford was also duly sworn by the Judge Advocate in the presence of the accused.

The accused applied to the Court to be permitted to introduce Thomas W. Gibben Esq as his counsel, which application was granted, and he appeared as counsel for the accused.

The Judge Advocate applied to the Court to be permitted to introduce M. Mundy Esq as his counsel, which application was granted, and he appeared as counsel for the Prosecution.

The accused Captain Wm B. Dunn Company "F" 20th Regiment Kentucky Volunteer Infantry was then duly arraigned on the following charges and specifications to wit.

The Judge Advocate then read to the Court a notice, a copy of which was served on the accused, requiring him to produce at his trial certain papers to wit, his tender of resignation - the original retained copies of the muster and pay rolls of his company from and after the first muster and payment thereof, And a private communication from

Col S D Bruce & Gov Thos C Bramlette, entrusted to him for transcription, (which notice is hereto appended marked (A)) and called upon the accused to produce said ^{muster & pay rolls} documents - to which accused replied by presenting his affidavit (hereto appended marked (B)) stating that he did not have said papers in his possession nor under his control, and could not produce them.

Captain W C Musselman, Company D 20th Ky Vol Inftry, first witness for the prosecution was called and duly sworn.

1st Question by Judge Advocate -

State your name and present rank, Company & Regiment.

Answer W C Musselman, Captain, Company D. 20th Regt Ky Vol Inftry -

2nd Question

In what capacity were you serving the Government from the 20th day of May 1862 to the 1st day of October 1862 -

Answer - First Lieutenant, Company F 20th Ky Volunteer Infantry.

3rd Question

What has become of the records of Company "F" and the retained muster and pay Rolls of that Company prior to the 4th day of July 1863 -

11
Answer. They were destroyed on the 5th day of July 1863 I suppose. (accused stopped the witness. who proceeded) I don't know what became of them.

4th Question

State under what circumstances, and when you suppose they were destroyed.

Answer. The Regiment was captured by John Morgan on the 5th day of July 1863 at Lebanon Ky. Everything was destroyed, all the papers, by the enemy.

5th Question -

Were the records and retained rolls of the several Companies of the 20th Ky Infantry at Lebanon at that time.

The accused objected to the question as directly leading and requiring only the answer yes, or no. and that the loss of said rolls is immaterial. The originals are at Washington and should be produced or proved by properly authenticated copies.

The Judge Advocate replied that he is now inquiring for papers, which the accused is shown to have had, and is supposed to have had the custody of, with

the attention of the witness to the point of inquiry, and not to suggest his answer.

The Rolls now inquired for are Original Rolls -

The Court was cleared for deliberation and after considering the matter before it, was again opened (the accused & his counsel being present) when the Judge Advocate announced as the decision of the Court, that the objections of the accused were sustained -

6th Question -

Were you present with your Company at or near Louisville Kentucky when it was paid up to August 31. 1862 and if so, state what you know about the Muster & pay roll and about Capt Dunn receiving pay thereon for the months of July and August 1862 -

The accused objected to the question for the following reasons - The rule of evidence is imperative, that the best evidence that can be produced must be produced - if the rolls, for example left with the company were the only rolls in existence, and they were destroyed, then evidence of their contents might be given - But this Court knows officially that at least two other originals are in existence, one in possession of the paymaster, and one at Washington City - There can be no difficulty

whatever in procuring one of these, or a properly authenticated copy thereof. It is precisely like the case of a lease. The landlord and tenant each has an original. Suppose the landlord sues his tenant, and then proves that the copy which the tenant has is destroyed. Certainly that will not dispense with his producing the copy which he, the landlord has. I object to so much of the question as would authorize the witness to speak of the contents of the rolls.

The Judge Advocate replied. that the Court also knows officially, that there are three original copies of Muster & pay rolls, one being retained by the Commander of the Company, and two sent to Washington. The accused has been called upon to produce his retained roll, which he does not produce, and we are at liberty to prove its contents by copy or orally. No law confines us to the production of a copy of a lost paper, although for convenience sake, and to preserve records, authenticated copies are admitted in evidence upon the seal of the recorder. The rolls at Washington cannot be withdrawn, nor are they made record - but are merely deposited there, nor is there any authority or seal at Washington to authenticate them as copies of record.

nor are we proposing to prove the contents of a record, but of a lost paper merely -

The court was cleared for deliberation and after considering the matter before it was again opened. (The accused & his counsel being present) when the Judge Advocate announced as the decision of the court that the objections of the accused were sustained.

~~By~~ Question

What has Captain Dunn ever said to you or in your presence, if anything about receiving pay from the Government which had been forfeited by the Judgment of a Court Martial -

The accused objected to the question for the following reasons. "This is precisely the same question in a still more objectionable form. They propose to prove now by the best possible testimony, the statements of the accused. The very fact that the court has decided that they cannot prove by parol evidence of the contents of the rolls - more than this, they propose by this evidence to prove by parol the judgment and proceedings of a Court Martial. The evidence too would be wholly immaterial, even if offered in a legitimate form. It is not for receiving pay improperly that the accused is on trial, it is

18
for signing a false certificate. This charge can only be sustained by proper proof the judgment of the Court Martial and its approval, and by proper proof of the certificate alleged to have been signed by the accused. Certainly this cannot be done, as the court has decided already, by parol, much less can it be done by evidence of what the accused may have said about it - Suppose it was an action upon a note not produced - the court excludes testimony of the contents of the note by a man who has read it - How much more unsafe would it be to admit evidence of what the defendant may have said about its contents -

In which the Judge Advocate made the following response - The charge is making false muster and signing false certificate upon which he drew pay to which he was not entitled in violation of the 14th Article of War - This question is not an inquiry as to the contents of any paper but as to facts which may or may not be contained in a paper - If it were as to the contents of the paper, with all due deference to the ruling of the court already made the question would be proper, as facts may

be proved by parol, though a narrative
 of them may exist in writing (Bent 269)
 If muster and pay rolls are record, then
 would enlistment and muster rolls also be
 record, and yet according to same authority
 page 274 a desertion may be proved without
 producing the enlistment or muster, by showing
 some other act which would imply, what
 the enlistment would show - if such papers
 were records. you could only prove them by
 the production of the original or a certified
 copy, but no such rule obtains as to other
 papers. - I need not repeat to the Court
 that rolls sent to Washington to be deposited
 cannot be withdrawn, as there is no one
 authorized to deliver them up. nor can
 they be certified as records for the want
 of proper authority and proper seals -
 Muster and pay rolls are never recorded -
 and Bent. page 279 says, after the loss
 of a paper made in counterparts is proved
 or shown to be unattainable, then examined
 copies or the parol evidence of witnesses
 X may be resorted to -

The Court was cleared for deliberation
 and after considering the matter before
 it was again opened (the accused & his
 Counsel being present) when the Judge (Admiral)

announced as the decision of the court that the objections of the accused were sustained -

The Judge Advocate here asked to discontinue the examination of this witness for the present, to introduce His Excellency Governor Bramlette whose public duties call him away, which request was granted. The witness retired -

Governor Thomas E. Bramlette 2nd witness for the prosecution was then called and duly sworn -

1st Question by Judge Advocate -

State your name and present position
Answer. Thomas E. Bramlette, Governor of Kentucky -

2nd Question -

State whether or not you received on or after the 8th day of January last any written communication from Col S. D. Bruce Military Commandant of the Post at Louisville -

Answer - I am not prepared to state as to date - Sometime in December or January I received a communication from

announced as the decision of the court that the objections of the accused were sustained -

2nd Question -

State whether or not you received on or after the 8th day of January last any written communication from Col S. D. Bruce Military Commandant of the Post at Louisville -

Answer - I am not prepared to state as to dates - Sometime in December or January I received a communication from Col Bruce - I received one communication recommending Capt Walcott to the position of Major in the 20th Ky Infantry - The

original communications are on file in the Adjutant General's Office with my endorsements on them -

3^d Question -

In what way did you receive the paper referred to -

Answer - By mail -

4th Question -

Do you remember what post-mark it bore, or where it was deposited in the mail -

Answer - My recollection about that is not distinct, but the impression I have is that it was mailed at Louisville. I have just been handed a copy of the communication referred to, accompanied by a recommendation - Those two communications were received by me in the same envelope - I have examined them and believe them to be correct copies -

(Copies of the Communications referred to by the witness to wit - a recommendation from Thos B. Waller Major Commanding 20th Ky Infy to Governor Bramlette recommending Capt Frank E. Walcott 20th Ky Infy as an officer competent to fill the Majorship of the Regiment. And a certificate from J. D. Bruce Col 20th Ky Infy in regard to his

competency as an officer, are hereto
appended marked (C) -

The witness here retired -

The Judge Advocate then stated
that in order to clear up any doubt
as to the custody and control or existence
of the retained Muster roll of less "F."
from June 31, to August 31, 1863, the
Judge Advocate now proposes to examine
the accused upon that point, as his
affidavit filed does not fully explain it.

The accused objected to it, as
being contrary to every principle of justice
ever recognized in a court of justice - In
addition to this, the court have already
rejected evidence in regard to their destruction
upon the ground that if they are destroyed
other rolls do still exist -

To which the Judge Advocate replied -

It is the well established rule of
practice to allow a party called upon
to produce a paper to purge himself
before the court - in answer to this call
the accused has introduced his affidavit
which however does not purge him as

competency as an officer, are hereto

more critical examination, when the accused

has already offered his own testimony-

The court was cleared for deliberation and after considering the matter before it, was again opened (the accused & his counsel being present) when the Judge Advocate announced as the decision of the Court that the objections of the accused were sustained-

The Judge Advocate then stated that under the rulings of the Court, he must ask a continuance of this case to allow him to procure from Washington the original or compared and authenticated copies of the muster and pay rolls of Co "F" 20th Regt Infy Vols from June 31st to August 31st 1862, and other documentary evidence - He will be ready to proceed with another case tomorrow.

The accused offered the following objection - "No possible excuse can exist for such action - the accused has been for weeks & months patiently awaiting a trial. The Government is not taken by surprise, and has no excuse for being unprepared."

The Judge Advocate then made

produce the ^{kind} ~~limit~~ of proof required by the Court:

The Court was cleared for deliberation and after having considered the matter before it was again opened (the accused & his counsel being present) when the Judge Advocate announced as the decision of the Court, that this Court adjourns the further consideration of the case until 10 A.M. April 19. 1864, and that the will of the General Commanding be ascertained as to whether the case shall be further continued to enable the Judge Advocate to obtain the proof asked for.

The Court thereupon adjourned to meet again on tomorrow the 19th instant at 10 O'clock A.M.

The Same Members who were present on yesterday, the Judge Advocate, and the accused & his Counsel -

The Proceedings of yesterday were read. A member objected to that part of the record which gives as a reason for adjourning this Court "that the will of the Commanding General may be obtained," as the intention of the Court was to give time to enable the members to inform themselves upon points of law, & obtain the opinion of the Commanding General, and requested that it be expunged from the Record -

The Judge Advocate objected to the proposed change in the record, as the decision of the Court had been recorded in its exact words as given in writing, & handed him by the President -

The Judge Advocate then read a Communication from himself to Capt W. R. Hardy A. J. A. Dist of Ky. in regard to the question before the Court when it

adjourned on yesterday, together with the return & endorsement thereon made by order of the Commanding General, to the effect that reasonable time should be given to procure copies of the Rolls, &c. - (The whole is appended marked "D") -

The accused then presented written "suggestions" adverse to the further posthumous - ment of the case (appended and marked "E") -

The Judge Advocate then offered a written reply to the objections offered by accused, (appended & marked "F") -

A member offered the following objection to the Communication of the Judge Advocate heretofore appended & marked "D") & desired that it be entered upon the record.

"I object to the Communication of the Judge Advocate dated April 18th 1864. Room General Leant Martials Corner Sixth and Jefferson Streets, Louisville Ky. Because it does not properly represent the record to ^{see} W. R. Hardy, to whom said Communication is addressed, and because I think, neither Capt W. R. Hardy, or Genl Burbridge Comd'g the District of Ky could possibly get an idea therefrom of what were the questions before the Court. how they decided them or on what point they wished to know the

will of the General Commanding District, or whether under all the Circumstances, a continuance should be allowed or not. - The Court decided certain questions in proper and excluded certain evidence. - before any one can determine whether these decisions of the Court were sufficient to entitle the Judge Advocate to a continuance in this case, a copy of the record, or so much of it as contained these questions, objections and the arguments in favor of and against them, and the decisions of the Court, should be submitted to the person whose decision is desired. -

The Court was then cleared to determine whether this case shall be postponed or not, and after considering the matter before it, was again opened, (the accused and his counsel being present) when the Judge Advocate announced as the decision of the Court, that the objections of the accused are sustained. -

The Judge Advocate announced to the Court that he was not prepared with further evidence in this case today - that he was ready to take up the case of Lt Harrison -

The accused then stated that the Judge

Advocate having announced that he has no further testimony to produce at this time, and not asking further delay, he asked that the evidence be declared closed and his defense in writing be received.

The Judge Advocate replied that he has announced that he had no further evidence prepared for today in this cause, but to save the valuable time of the Court he is prepared to proceed with the trial of St Harrison & Ohio Volunteers - and that the prosecution in this case was not closed.

The Court was closed for deliberation, during which time, the Court demanded the opinion of the Judge Advocate in answer to the following question, "As a question of law, would it be proper in your opinion to continue this case indefinitely as it now stands?" To which the Judge Advocate replied "I respectfully answer, No".

The Court having considered the matter before it was again opened, (the accused & his counsel being present) when the Judge Advocate announced that the Court decided to adjourn until Tomorrow Morning at 10 o'clock for the further consideration of the subject.

And therefore the Court adjourned to meet again on Tomorrow (the 20th instant) at 10 o'clock A.M.

17th Day - Louisville Kentucky

 10 O'clock A.M.

The Court met pursuant to adjournment -
 Present.

All the Members who were present on
 yesterday, the Judge Advocate & his counsel,
 and the accused & his counsel.

The proceedings of yesterday were read.
 A member objecting to a part of the
 record, the President asked of the Judge
 Advocate the following question "Did or
 not the Judge Advocate announce on
 yesterday that he had no further evidence
 but such as it would be highly improper
 to introduce until after the records which
 he desired to get from Washington was introduced?"

To which the Judge Advocate replied
 that his remembrance of the facts are as
 follows: When asked by the Court if he
 had any further evidence, he replied
 none that in his opinion would be proper
 to introduce now. he was then asked
 by the President if he had any that would
 or could be introduced before the records
 could be received from Washington, and he
 replied that he had made his answer

upon the record and declined to make further answer.

A member objected to the answer for the reason that it does not give in full the reply of the Judge Advocate in answer to the question whether he had any further evidence to introduce.

The Court was then cleared for deliberation, and after considering the matter before it was again opened (the accused & his counsel being present when the Judge Advocate announced as the decision of the Court that the objections of the member were sustained).

A member then asked "if the Judge Advocate, after the decision of the Court declines to give any further answer".

The Judge Advocate replied "that he does not deem further answer necessary".

The accused moved the Court to correct the record of yesterday's proceedings by inserting therein the fact that the Judge Advocate announced that he had no further evidence that it was proper to introduce until after he had received from Washington the records that he had asked a continuance to procure, and the continuance just refused.

The Judge Advocate replied that the above motion assumes a fact which according to his remembrance is incorrectly stated and repeats his answer given in reply to the question propounded to him by the Court.

The Court was cleared for deliberation and after having considered the matter before it was again opened, (the accused & his counsel being present) when the Judge Advocate announced as the decision of the Court that the motion of the accused was overruled.

The Court then asked the Judge Advocate and the accused if they had any further remarks to offer in addition to those made on yesterday, touching the motion of accused to declare the Prosecution closed. to which they replied in the negative.

The Court was then again cleared for deliberation, and after considering the matter before it was again opened (the accused & his Counsel & Counsel for Judge Advocate being present) when the Judge Advocate announced as the decision of the Court, that the motion of the accused made on yesterday was overruled.

Capt W. L. Musselman 1st witness for the Prosecution was recalled.

8th Question by Judge Advocate -

Were you present with your Company

at or near Louisville Kentucky, when it was paid up to August 31. 1862, and if so state what you know about Captain Dunn's receiving pay for the months of July & August 1862.

The accused objected to the question for the reasons that it is identical with one already rejected, and because it is irrelevant and improper, and an attempt to prove matter that can only be proved by the Rolls.

The Judge Advocate replied, that the rolls would not of themselves prove the payment of money to Captain Dunn. That so far as relates to payment the roll can only amount to a receipt, and that the payment of money may be proved without producing the receipt, by any one cognizant of the fact. And the Judge Advocate denies that this question has been overruled by the Court or has been excepted to by the accused or his counsel.

The Court was cleared for deliberation and after considering the matter before it was again opened (the accused & his Counsel & the Counsel for Judge Advocate being present) when the Judge Advocate announced as the decision of the Court

that the objections of the accused were
sustained -

The Judge Advocate then read the

 court martial had no authority to
 grant a continuance See Strong
 Opinions p. 124 - The power ^{of course} ~~of course~~
 was to adjourn the court and send
 the charges to another court - this cannot
 be done of course after the prisoner has

been put upon his trial - no other
 court but this one by law.

In the statement submitted
 to Genl Burbadge the
 main fact relied upon by
 me - viz that no effort has
 been made to procure the
 testimony is not stated -
 I insist that if Genl

Burbadge is to decide
 the question that it shall be again
 submitted to him with the
 argument touching the question.

Mr B. D. Dime

objection of accused
 Mr B. Dime to
 postponement of
 trial -

that
 (C)

The accused respectfully submits for the consideration
of the court the following suggestions -

In all instances in the trial of cases either civil
or criminal, continuances are granted to either
party under certain rules, which rules are
also applicable to cases involving the trial

of civil cases. This is provided for in the
cases of civil practice as page 730 book 29

12. Civ. R. 5.

I must that one of the applications has been made
before entering upon the trial & since not
then how properly granted, for the reason
that no religious witness is allowed to have
any way to get the evidence -
The law provides how parties on file in the case
adjustment may be made

13. Civ. R. 5. 17

The government has had the privilege to procure
the party and has made no effort to do so -
They have announced themselves ready for trial -
They intend when the trial is now over
that the court should have case and order
upon some other trial. In no civil court in

the country would such a proposition be entertained
for the government - I think I can safely predict
that they cannot get the parties organized unless
there is some order - All that time this case must
must be held together to at least the number of
five - Suppose at the end of the time they get there -
Will you not give the government the same privilege
the same privilege of continuing the case to

himself up proof he may then find that he need
and another delay ensue.

Such a pointed case sanctioned by a Court, would
undoubtedly well grow out of it. Accused parties
must have the same privilege. A Court martial
tries an offender, has clear proof against him,
but, in the midst of the trial and at a short
distance he demands a continuance. says he
can from certain facts from the record at
Washington to exculpate him. True he might
have had the record here if he had wished so
to do. Could this or any other Court with
this precedent before them, refuse to apply in
his favor the rule they may apply against the
accused in this case.

It is a rule of law that admits of no exception
that a party is not entitled to a continuance
to prove testimony that he has not used proper
diligence to procure.

In this case no diligence is shown by affiant
or otherwise - and more has been used, though
these charges were preferred on the 1st of February
last two months and eighteen days ago.

The trial has already been unreasonably delayed.
For more than a month the accused was impeding
the authorities for a trial - At last after having been
made charges and admit for security six days he
is put upon his trial - The government authorities
stand ready - the trial is entered upon - a mass
of illegal testimony is offered and excluded.

and this further delay is asked by the government
though they have been aided by able legal counsel
in the preparation of their case.

The accused then objects for the following reasons
1st There is no precedent for continuing a case
after the trial has been once entered upon, and
any principle of justice to the prisoner, and on
the part of the same forbids the establishment of such
a precedent.

2^d This continuance could not have been properly
granted if asked for before the commencement
of the trial, for the reason that the evidence was
easily obtained if such evidence exists
and no effort has been made to obtain it.

W^m B. Dunn

Another Genl Burbridge or President
Lincoln has any authority to control
the action of the court after they
have entered upon trial except by
dismissing the court - He might
just as well dictate to them
what evidence they should
admit and what sentence
they should pass.

The Orders from the War Department, page 2
56 are imperative in this matter -

W^m B. Dunn

Genl B. or some clerk in his office
rashly expresses an opinion - He does
not give an order of adjournment or
discontinue

objection of accused
Mr B. Dumas to
postponement of
trial

In the statement submitted
to Genl. Burbridge the
main fact relied upon by
me - viz that no offer has
been made to produce the
testimony is not stated -

I insist that if Genl.

Burbridge is to decide
the question that it shall be again
submitted to him with the
argument - touching the question
Mr B. Dumas

The record shows that the Court adjourned this case until 10 o'clock a.m. today to confer with the General Commanding the District as to its further continuance. The consultation of the Court with the Judge Advocate or the General Commanding is a matter to which the accused cannot properly object, and whether or not the Court takes advice from those quarters is for the Court to determine.

The law supposes it to be for the advantage of the accused to have a full and fair trial and if delays are necessary to that end, they should be readily granted by the Court as a matter of right to the accused, whose honor stands implicated, if not impeached under charges of this nature - and trials are intended not merely for conviction and punishment, but also for relief of parties accused. In the delay asked for, all losses fall ^{upon} the Government which is entitled to the services of the accused, and if that service is interrupted, the Government alone loses. In the trial of an officer his slipping by a conviction through technicalities is not the paramount question to him, but a more important one is the acquittal of his honor, and in the argument adduced by his counsel here, there is a manifest disposition to

show rather than solicit a full and fair investigation.

The allegation that there has been no diligence used to procure the necessary evidence is contradicted by the record which shows that the accused who is ~~one of~~ the legal custodian of one of the ^{original} rolls required and in whom the law presumes it to be was duly notified and required to produce it and has failed to do so.

While the law requires diligence in the preparation for trial, it does not require the Judge Advocate to presume that the accused Officer will fail to produce papers which the law presumes in his possession, and this delay to produce other copies results solely from the failure of the accused to produce the papers called for from him. This is an application to delay or hold the case open, and the cause assigned is to procure evidence made necessary by the failure of the accused to produce his roll under call. The reason is a good one, and under the 29th Section of Act of March 2, 1863 justifies the Court in granting it. The order regulating Court Martial proceedings issued by the Commanding General of the Department of the Ohio does

not conflict with this law and if it did
would be of no effect - The only question
for the court is, whether reasonable cause
has been shown for holding the case open
and not whether General Burbridge or his
clerk has expressed such an opinion as is
complained by the accused - The law may
be as stated by the accused that if this
court be now dissolved his case cannot be
sent to another court for trial, and if so,
the more important for his honors sake
that this court should take the necessary
time to fully and fairly investigate his
case - and the court will no doubt grant
to him in his defense all needful delays
to the end that justice may be done -
As to the rule requiring the oath of the
prosecutor to establish reasonable cause
for delay, that is negatory in this case,
as the Government is the sole prosecutor here
and she can make no affidavits -

The bearing of this John Easles a private in Co. D. 20th Ky Inf has such family affliction that I would earnestly recommend his discharge from the service. He has been in the service 18 months and while there his wife has borne the birth of a child and expressed her fear that she would become blind and he has no one at hand to take care of her and his child. While it may seem as if I had taken the liberty of sending him to the R. R. that his wife's condition may be seen and he may tell his own story as I deeply sympathize with him and deem it an exceptional case where the Government should not only be lenient but charitable.

Hon E. M. Stanton
Secretary of War

Sir I have the honor to forward papers in the
Case of John Earles late of Co. "I" (Private) 20th
Ky Vol Dfty. The facts are these:
In the month of January 1863. said Earles
receives an order to proceed to the neighborhood
of his home for the purpose of arresting and re-
turning to their Regiment some deserters. In
obedience to said order said Earles proceeded
to the place designated, and having reached
the place and while in the discharge of his
duties, he was taken severely ill, so that he
was taken to his home for care and treatment.
He remained in this condition for several weeks
and as soon as able proceeded to rejoin his
Regiment. Having reached Louisville Ky. he
related the condition of his family, his wife
having gone entirely blind and his children
very sick, and his own condition during the
time of his stay at home, as an explanation
accounting for his absence from his command.
On hearing his statement and being satisfied of

23rd Ky Infy
 their truthfulness. Col. Mundy, Commanding then
 the Post of Louisville, advises him to return home
 to take care of his family, stating at the same
 time that he would see that the said Earls
 was discharged at once - giving him at the same
 time the enclosed Discharge Furlough - The
 said Earls being an ignorant man, and sup-
 posing that Col. Mundy would do nothing which
 he was not duly authorized to do, took the
 furlough and returned to his home and de-
 stitute and helpless family, and there awaited
 the final discharge which Col. Mundy
 promised to send him at the earliest practi-
 cable day - The discharge was never sent him,
 and as a consequence the said Earls was not
 discharged or mustered out with ^{his} Regiment
 and is still not discharged - No evidence
 of good faith on the part of Earls, I have the
 honor to enclose affidavits and Certificates to
 show that up to the time he started to join his
 Regiment the said Earls was sick and under treat-
 ment of Dr. Risk, whose Certificate is enclosed.
 It is most respectfully requested that
 an order be issued discharging said Earls, said
 discharge dating back to such time as may be
 deemed most just to all parties concerned -
 Said Earls is a poor and ignorant man, dis-
 posed to do right, and he asks at your hands

a discharge from the service and the means of
 recovering the back pay and bounty for the support
 of his family. I have the honor to be

NOTES.

- The amount of any extra pay for which the soldier may be entitled, as for an Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
- In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- Stoppages for loss or damage done to arms, or other public property, must be noted, and the article, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully noted.
- In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- Should the man have been engaged in any action, or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
- If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and entered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
- Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
- Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the muster rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled,"—Commencement of First Payment by "Time," will be written the word drafted; and under the heading "When Mustered in" will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
- A separate descriptive list should, as a general rule, be given for each man.
- Descriptive lists must, in all cases, be signed by commissioned officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of My Company Books

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *g.*, *h.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, epistaxis, ulcers, or any obscure disease liable to be feigned or purposely produced, and shall not give such certificates until after sufficient time and examination to detect any attempt at deception.

DISPOSITION.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three parts to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Mr. Furrier

Dear Sir

I received your note while we were at Green River but just as we were starting and I haven't had chance to attend to it before. We send you a Blank Descriptive List which you can have filled up. We can't find your knapsack or Blanket. Capt. Sumner & Galt will send you the money they owe you as soon as they get it. They have none now but expect to soon. Soon you will please write to us again so we may know where you are and where to send the money. I would have been glad to have come to see you before we left Bardonia but I had no chance. We are now encamped near Bowlinggreen but have orders to march direct to Nashville. We expect to leave as soon as we can cross the river. We had a pretty hard march to Bowlinggreen part of the road has been ploughed and trees had been cut across the roads we find it pretty difficult to get water as the Rebels has put a dead animal of some sort in every well and pond along the road. No more at present write soon and let us know whether you have gone home or not and where we shall send your money the boys owe you yours respectfully

ARTICLES OF WAR.

ART. 15. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. In case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or company, by promotion or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be received for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

REG. 122. Inventory of the effects of deceased non-commissioned officers and soldiers, required by the 15th Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station abroad from his wounds, it will be the duty of his immediate commander to furnish the Adjutant General, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, giving the date, place, and cause; to what time he was last paid, and what money or other effects in his possession, at the time of his decease. The report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a military representative receive the effects, it will be stated in the report. If the deceased have no effects, the fact will be reported.

REG. 123. Should the effects of a deceased non-commissioned officer or soldier be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they can be claimed by the legal representatives of the deceased.

REG. 124. In all such cases of sale by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding officer and commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

REG. 125. The effects in all cases, when taken for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, the receipt should be attached to the inventory. In all other cases, the receipt will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

REG. 126. Particulars are to be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, disengagement of the urinary organ, gonorrhea, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after careful examination, and attention to detect any attempt at deception.

AND C-RESERVED BY

DIRECTIONS.

These certificates will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, and that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

(Dis. Feb 15-1865-)

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be secured upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of service, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words mustered into the service. The statement of all the installments of Pay or Landwarrant, RECEIVED by the Soldier must be made on the back of each final statement.

FINAL STATEMENT

OF

att. jg
Case, Roberts - See Cr '6'

21st Reg't of Ky Vol Inf't

VOLUNTEERS.

Died Feb 16. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him, or in his favor, as so to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Charges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Lieutenant must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Sir:

Owing to the pecuniary condition of my family I deem it necessary to resign my position of Captain of Co. "C" of the 20th Regt. N. Y. Vols. My wife has been so situated as to be unable for some months to walk across the floor of her own room and I have with her 4 (four) little helpless children who are dependant upon my exertions for a subsistence.

All these facts are respectfully submitted

Yours Respectfully

Sir I would respectfully
ask leave of absence for 20 days -
The reason for making this request is that
I am not able to do duty! As is shown by the
Annoyed Surgeon's certificate. Besides I have
not had leave of absence since I have been in
the service (more than two years) and would
not ask it now if I was able to perform
duty

Yours Respectfully

FINAL STATEMENT

J.B.

OF

John D Goker Private
Co. E 1st Regt of Ky Inf.

VOLUNTEERS.

Died Dec 26. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING OFFICER commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive his pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant General of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Surtler and Landrent must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

HEADQUARTERS DEPARTMENT OF THE OHIO,
Knoxville, Tennessee, April 21, 1864.

GENERAL ORDERS,
No. 54.

I.. At a General Court-martial which convened at Louisville, Kentucky, in pursuance of Special Orders Nos. 9 and 16, dated Headquarters Department of the Ohio, Assistant Adjutant General's Office, Lexington, Kentucky, January 8, 1864, and of which Lieutenant Colonel Thos. Jouxmon, 65th Regiment Indiana Volunteers, is President, was arraigned and tried—

Private Peter Goodman, Company H, 20th Regiment Kentucky Volunteer Infantry.

CHARGE.

"Robbery."

Specification—"In this; that he, Private Peter Goodman, Company H, 20th Kentucky Volunteer Infantry, did, on or about the night of the 27th day of January, 1864, at a house of ill-fame, kept by one Mollie Clark, in the city of Louisville, Kentucky, feloniously and forcibly take from the possession of a person, his pocket-book, containing fifty dollars, more or less.

To which charge and specification the accused pleaded—
"Not Guilty."

FINDING.

The Court, after mature deliberation on the testimony in the case, finds the accused as follows:

Of the Specification to the Charge, "Guilty."
Of the Charge, "Guilty."

SENTENCE.

And the Court do, therefore, sentence him, Private Peter Goodman, Company H, 20th Kentucky Regiment Volunteer Infantry, "To be confined at hard labor for three years, at such place as the Commanding General may direct, and to forfeit all pay proper during that time, and at the expiration of his sentence, to be dishonorably dismissed the service of the United States."

II.. The findings and sentence in this case are disapproved. If the name of person against whom an offense has been committed is

known it should be set out in the Specification; if unknown, that fact should be stated. The Specification in this case is so indefinite and uncertain, and the proof that any particular sum of money was lost so vague, that the Court was not warranted in their finding and sentence.

III..Private *Peter Goodman*, Company H, 30th Regiment Kentucky Volunteer Infantry, will be released from imprisonment and returned to his Company for duty.

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, as in being Hospital Guard, as Soldier, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount bounty paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of desertion, the date and that of delivery, or apprehension, must be given, together with a correct transcript of the order of suspension, pardon, and the amount DUE TO, or FROM him must be precisely stated.
5. Should the man have been engaged in any action, or skirmish, it must be mentioned, together with date and place. A full and particularly mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the either these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing issued, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to pay the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these final statements, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury Department.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the 1st Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rules for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Mustered,"—Commencement of First Payment by Time," will be written the word drafted; and under the heading "When Mustered in" will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by commanding officers; not by enlisted men acting as such.

ARTICLES OF WAR.

INVENTORY OF THE EFFECTS

Art. 55. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the legal representatives of such deceased non-commissioned officer or soldier. In case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the Department for the same, have occasion to leave the regiment or company by preference or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officer and soldiers, in order that the same may be accounted for, and paid to the proper representative.

ARMY REGULATIONS—EDITION OF 1862.

DECEASED SOLDIERS.

Reg. 10. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the soldier belonged, and a duplicate of the same to the colonel of the regiment. Such statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier is absent from his company, it will be the duty of the commanding officer to furnish the required inventory and final statement, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the value of his effects in his possession at the time of his death; which report will be noted on the next muster roll of the company to which the soldier belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, the _____ day of _____, 186—." If a legal representative of the effects, it will be stated in the report. If the soldier was a volunteer, the fact will be reported.

Reg. 11. Should the effects of a deceased non-commissioned officer or soldier be administered upon within a short period after his death, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they are claimed by the legal representatives of the deceased.

Reg. 12. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

Reg. 13. The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, these inventories are sent to the Adjutant General, their serial number should be attached to the inventories. In all other cases, they will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

Reg. 14. Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent to the Adjutant General and one retained by the officer.

FINAL STATEMENT

R. 1835

Private Riley P. Gregory

20th Regt of Kentucky Inf

VOLUNTEERS.

Due August 9. 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the date for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, as on to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are carried by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment, and other necessaries charges, should appear under the heading of "Other Discharge."

NOTE 5.—Money paid by State collection, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for dressed volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
